COMMUNITY NEWS (CONTINUED)

Continued Improvements

We also appreciate your patience as we continue important neighborhood improvements. Roof replacements in Turner Park and HVAC replacements in Crestview are progressing steadily, and these upgrades will help ensure long-term comfort and quality for all residents.

Important Reminder

As the PCS season approaches, please remember that if you plan to move, you must submit a written 30-day Notice to Vacate. Be sure to sign your notice and include a copy of your official orders to ensure your request is processed smoothly and without delay.

MAINTENANCE TIPS

Self-Help Program

This is a great time to take advantage of our Self-Help Program, which provides lawnmowers and weed trimmers for resident use. These tools are available for checkout during normal office hours and can help you keep your fenced-in yards neat and well-maintained. If you'd like to borrow equipment, simply stop by the office and a team member will be glad to assist you.

Replace Your HVAC Filter

Please also remember to change your HVAC air filter each month. Regular filter changes improve air quality and help your system operate efficiently, especially during peak cooling season. Replacement filters are available at no cost through the Self-Help Program. If you have any questions or need assistance, please feel free to contact the Housing Office at (478) 310-2788. Thank you again for your continued support in keeping our community clean, comfortable, and well-maintained.

TRASH, GOOD NEWS & EVENTS

COMMUNITY TRASH SCHEDULE

Refuse collection will continue on Wednesdays as scheduled. Please place your trash bins curbside by 7:00 AM and remove them prior to the end of the day. At Robins Family Housing, we want to keep our community clean and looking its best!

GOOD NEWS

We are incredibly thankful for our amazing maintenance team and the hard work they put in every day. We also appreciate the love and recognition shown by our residents—your support means so much and keeps our team motivated.
