ROBINS FAMILY HOUSING II NEWS & STORIES

HAPPY HALLOWEEN!

Our CEO's Message

As we welcome fall we look forward to cooler weather, children settled into school and football. It is also a time when Hunt Military Communities launches their annual Hunt Helping Hands initiative. This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who may have resources for distribution and we are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need. Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses find meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services. Thank you for allowing us to serve you.

Welcome to October, Robins Family Housing!

October is such an exciting month, it is the introduction to the holiday season and we are so excited to be able to share that time with our residents! Join us October 8th from 6:30-8:30 at the Military Housing Office (field) for Town Hall followed by Movie on the lawn and Food Truck Friday! Hank's Food Truck will be on site, and Hunt will be providing popcorn and drinks for the movie showing of Hocus Pocus! The Resident Council, MHO and Hunt are working together to sponsor this event. We look forward to seeing everyone there and bringing our communities closer together! *Please drop off any donations of canned goods to the office; we will not be able to pick the bags up from the porch this year! We have bags in the office that you are more than welcome to pick up to put the can goods in*.

Maintenance Corner

As the weather starts to change, we recommend testing your heater so that if there are any issues we can get them resolved before the weather gets cold! We are experiencing longer completion times on routine work orders as we are trying to recover from the effects of COVID. Our maintenance staff is working very diligently to prioritize the back log of work orders in an effort to get everyone taken care of as soon as we can. We greatly appreciate your patience and understanding as we navigate this process. If you have any questions or concerns please contact the office at 478-929-2988 or email robinsleasing@huntcompanies.com.

HAPPENING AROUND THE TOWN

Trick or Treating

Trick or Treating will take place in the City of Warner Robins on Sunday, October 31st, 2021 from 6-8pm. Trick or Treating at Rigby's Entertainment Complex will be Saturday, Oct. 30th at 2:00pm.

Breast Cancer Awareness Month

The power of pink is everywhere this October as we observe Breast Cancer Awareness Month. This yearly event is more than just a way to raise funds for breast cancer research. It helps to increase awareness for the second leading cause of cancer deaths in women. Other than skin cancer, breast cancer is the most common cancer among American women. Mammograms are the best way to find breast cancer early, when it is easier to treat and before it is big enough to feel or cause symptoms. Each year in the United States, about 255,000 women get breast cancer and 42,000 women die from the disease. Men also get breast cancer, but it is not very common. About 1 out of every 100 breast cancers diagnosed in the United States is found in a man. Most breast cancers are found in women who are 50 years old or older, but breast cancer also affects younger women.

Drive Extra Safely on Halloween

Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways. Stay well below the posted speed limit and have your headlights on at all times. Do not pass other vehicles that have stopped in the roadway, they could be dropping off children. Do not assume children can see you or are paying attention. Yield to all pedestrians that are in crosswalks. Take extra time to look for kids at intersections, between parked cars, in the street, on medians and on curbs. Enter and exit driveways and alleys slowly and carefully and use your orange cones when parking. Eliminate any distractions inside your vehicle so you can concentrate on the road and your surroundings, do not use a cell phone or text while driving through neighborhoods. Drive slowly, anticipate heavy pedestrian traffic and turn your headlights on earlier in the day to spot children from greater distances. Popular trick-or-treating hours are 6:00 p.m. to 8:00 p.m. so be especially alert for kids during those hours.

Trunk or Treat Drive Thru Movie

The Robins AFB Open Rec & Teen Center department will be hosting our annual "Trunk or Treat Drive Thru Movie" Friday, October 29th from 6pm-9pm, located at the Robins Air Force Base Youth Center. Friendly costumes are encouraged during this event. The event is a drive thru trunk or treat experience with a movie played after for those families who would like to attend our movie session.

Monkey Joe's Halloween Parties

Monkey Joe's Halloween Party will be Friday, October 29th at 5PM. A Toddler Halloween Party at Monkey Joes will be Tuesday, October 26th at 11 AM.

Georgia National Fair in Perry GA

The fair will be from October 7th to October 17th.

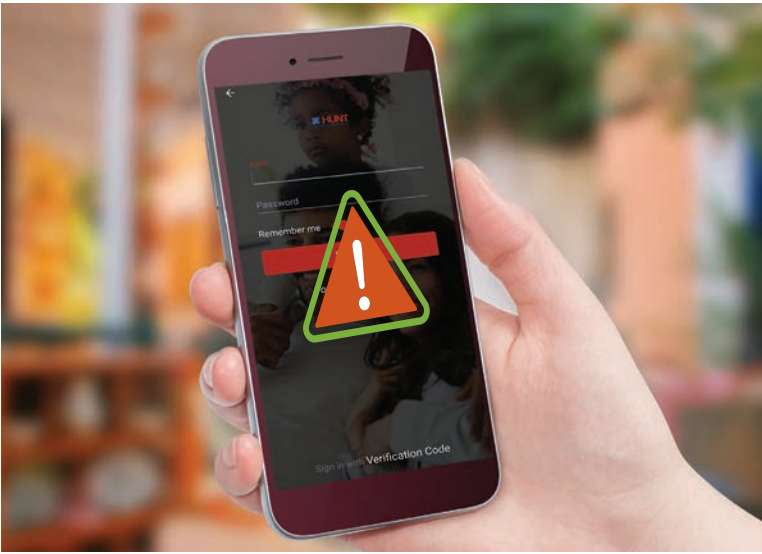

Mommy & Me Cookie Class

Paint with Lush Art on Saturday October 23rd at 2:00pm.

Mow Schedule for October

As we work to improve the landscaping in our communities, please help us. During your area's mow time, please have items removed from your yard so the mowers can get to all the grass. Thank you for your help in getting these improvements moving forward. Follow us on Facebook for the most updated weekly mow schedule! If you are having any landscaping needs that are outside of regular grass mowing, please contact the office or use the Hunt App to submit a work order.
