ROBINS FAMILY HOUSING **NEWS & STORIES**

IT'S BACK TO SCHOOL TIME!

Our CEO's Message

Dear HMC Residents,

I recently passed my one year anniversary since joining Hunt Military Communities as the new CEO. I have traveled to most of our communities and have met with many of our residents. The experiences and feedback have allowed us to make important strategic decisions and priorities to improve our service delivery and resident experience across the country. We are excited to continually pursue improvements necessary to serve you better and sustain our military communities.

Last August, I committed to reviewing best practices and refining services and programs. Since then we have completed resident focus groups in almost all of our communities. The feedback has helped us to identify specific areas that are most important to you such as improving communication, focus on consistency in customer service, and enhanced community events to bring our residents together. Resident focus groups will be something we doing continuously across the country so we can get direct feedback from you on our service delivery and communities. Thank you to everyone who participated, and we always value your feedback.

Semper Fidelis,
Brian Stann

Hunt Military Communities
President & Chief Executive Officer

School Supplies for Military Families

Hunt Heroes Foundation and Operation Homefront are excited to be working in collaboration again this year to bring school supplies to military families in advance of the upcoming 2022 school year.

This program is open to school age-children between the ages of 4-16 who reside in an HMC home.

Home Safety Tips

- Don't rely on chain locks for security. They are only good for privacy.
- Keep all doors and windows locked, even if you are just going out for a minute.
- Lock gates, garages, and sheds after each use.
- Store bicycles, mowers, etc. in a locked garage or shed, or secure them to some stationary point.
- Don't leave notes on your door when you are away from home.
- Don't leave keys in mailboxes or planters, under doormats, or in other obvious hiding spots. Leave an extra key with a neighbor.

- Children (12 and under) may attend the market for free!

Snake Safety Tips

Snake season is here, but that is no reason to avoid the outdoors. Snakes are important predators and prey, and their presence indicates a healthy and productive ecosystem. Enjoy nature, wildlife, and stay safe with our Top Tips for a Safe Snake Season:

1. Do not approach, handle, move, or kill snakes. Most bites happen in these situations!
2. Use lights when walking at night.
3. Look before placing your hands and feet.
4. Create clear, wide paths throughout your yard for safe walking.
5. Don't feed or water your pets or wildlife on the ground.
6. Don't create shelter for snakes or their prey with debris piles.
7. Do not use glue traps or bird netting as they can trap snakes too.
8. Learn your venomous snake neighbor's habits and avoid their areas.
9. Observe all snakes from a safe distance!
