ROBINS FAMILY HOUSING NEWS & STORIES

Happy Labor Day!

Our CEO's Message

Dear HMC Resident,

On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for

the morning shift. They all died heroes. The one thing we can all do is recognize their lives were not lost in vain. I ask you to join me in vowing to "never forget" and to continue living our lives stronger and more unified.

In memory of 9-1-1, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8-18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-1-1. Children wishing to submit their essay can do so at www.huntheroesfoundation.org Submissions are due no later than September 7th. Winners will be announced on September 9th.

As always, thank you for allowing us to serve you.

Semper Fidelis

End of Summer Bash

Robins Family Housing Team will reschedule the End of Summer Bash for the residents of Robins AFB. In lieu of the event, residents were invited to the Housing office to meet with the team while enjoying food and beverages. The Robins team was thrilled with the outcome of the event and we can't wait to see our residents at our next event!

Smiley's Flea Market

Mold Prevention Tips

Remove lint every time you use the dryer. Don't hang wet laundry indoors. Turn the bathroom fan on when you shower. When you are done with your shower, leave the bathroom fan on for 30 minutes to remove the remaining moisture from the room. Keep surfaces that get wet, such as the walls around the bathtub and shower, clean and dry. Take out the garbage daily to prevent odors and spoiling. Don't overcrowd closets. Leave room in every closet for air circulation. If you landscape areas around your home, allow for proper water drainage.

Bicycle Awareness

- Wear a properly fitted bicycle helmet.
- Check Your Equipment: Before riding, inflate the tires properly and check that your brakes work.
- Go With the Traffic Flow: Ride on the right in the same direction as other vehicles. Go with the flow not against it.
- Obey All Traffic Laws: A bicycle is a vehicle and you're a driver. When you ride in the street, obey all traffic signs, signals, and lane markings.
- See and Be Seen: Whether daytime, dawn, dusk, foul weather, or at night, you need to be seen by others. Wearing white has not been shown to make you more visible. Rather, always wear neon, fluorescent, or other bright colors when riding day or night.
