

WREATHS ACROSS AMERICA DAY – DECEMBER 17, 2022

Each year, Wreaths Across America coordinates wreath-laying ceremonies at more than 3,400 locations across the United States, at sea or abroad. We remember and honor all our military veterans that have paid the ultimate sacrifice for our freedoms.

We invite you to join Wreaths Across America by sponsoring a veterans' wreath at a cemetery near you, volunteering or donating to a local sponsorship group. Please visit WreathsAcrossAmerica.org to volunteer, donate, or sponsor a wreath to honor an American hero.

TOYS FOR TOTS

Hunt Military Communities proudly supports the U.S. Marine Corps Reserve Toys for Tots program each holiday season. Donation drops off stations will be available at several HMC communities across the nation to collect presents and toys for children in need.

Toys for Tots is a 73-year-old national charitable program run by the U.S. Marine Corps Reserve that brings holiday joy to more than seven million disadvantaged children each season. HMC is proud to support this holiday tradition to give back to our communities in a safe and accessible way. The primary goal is to help bring joy to the season and send a message of hope and support to all those in need. Donations given to Toys for Tots directly impact children and families in communities throughout the country.

If you would like to make a donation or learn more about the program, please visit ToysForTots.org.

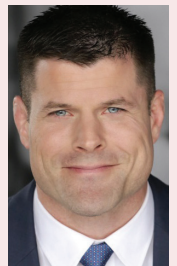

OUR CEO'S MESSAGE

Dear HMC Residents,

We'll be celebrating the beginning of a new year in just a few short weeks. During this holiday season and throughout the year, we appreciate the service and sacrifice you and your families make. With deployments or long training missions, our Service Members miss out on many special occasions during the holiday season. In support of our families, our communities are doing special service projects this holiday season to show our gratitude for all you do day in and day out. We are also supporting those in need. Donation drop-off stations have been established at many HMC communities across the nation to collect presents and toys for needy children as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday season and a healthy and happy 2023.

Semper Fidelis,

Brian Stann

IMPORTANT EVENTS

Toys for Tots

Toys for Tots is a program run by the United States Marine Corps Reserve, which distributes toys to children whose parents cannot afford to buy them gifts for Christmas.

The objectives of the Foundation are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to improving communities in the future.
